CAMP DISCIPLINE POLICY

We believe that children learn from us. We are their role models.
Children are forming habits, attitudes and patterns that will affect them throughout life.

Denial of food is never to be used as a punishment.

There is to be no loud yelling or screaming in the same room as young children.
No child is to be talked down to in a negative manner.
Reinforcing the positive is constructive and desirable.

At **ALICE'S Enrichment Center** time out is the first measure used.
For problems such as biting, fighting, and use of improper language, the child is sent to the main supervisor for further discussion. If more help is needed, the parents will be informed.

At **ALICE'S Enrichment Center** our priority is the children's safety.
If inappropriate behavior persists the child will be suspended.

I have read and fully understand the discipline policy of **ALICE'S Enrichment Center**.
